The diagram illustrates the layout of a football pitch during the end of a warmup. The pitch is blue, and the central field is divided into three vertical sections: orange on the left, red in the middle, and orange on the right. The top goal is labeled "Side H" and the bottom goal "Side O". The left side of the pitch is labeled "Host City" and the right side "Host Country". The diagram shows the positions of the teams, the scorers table, and the team benches.

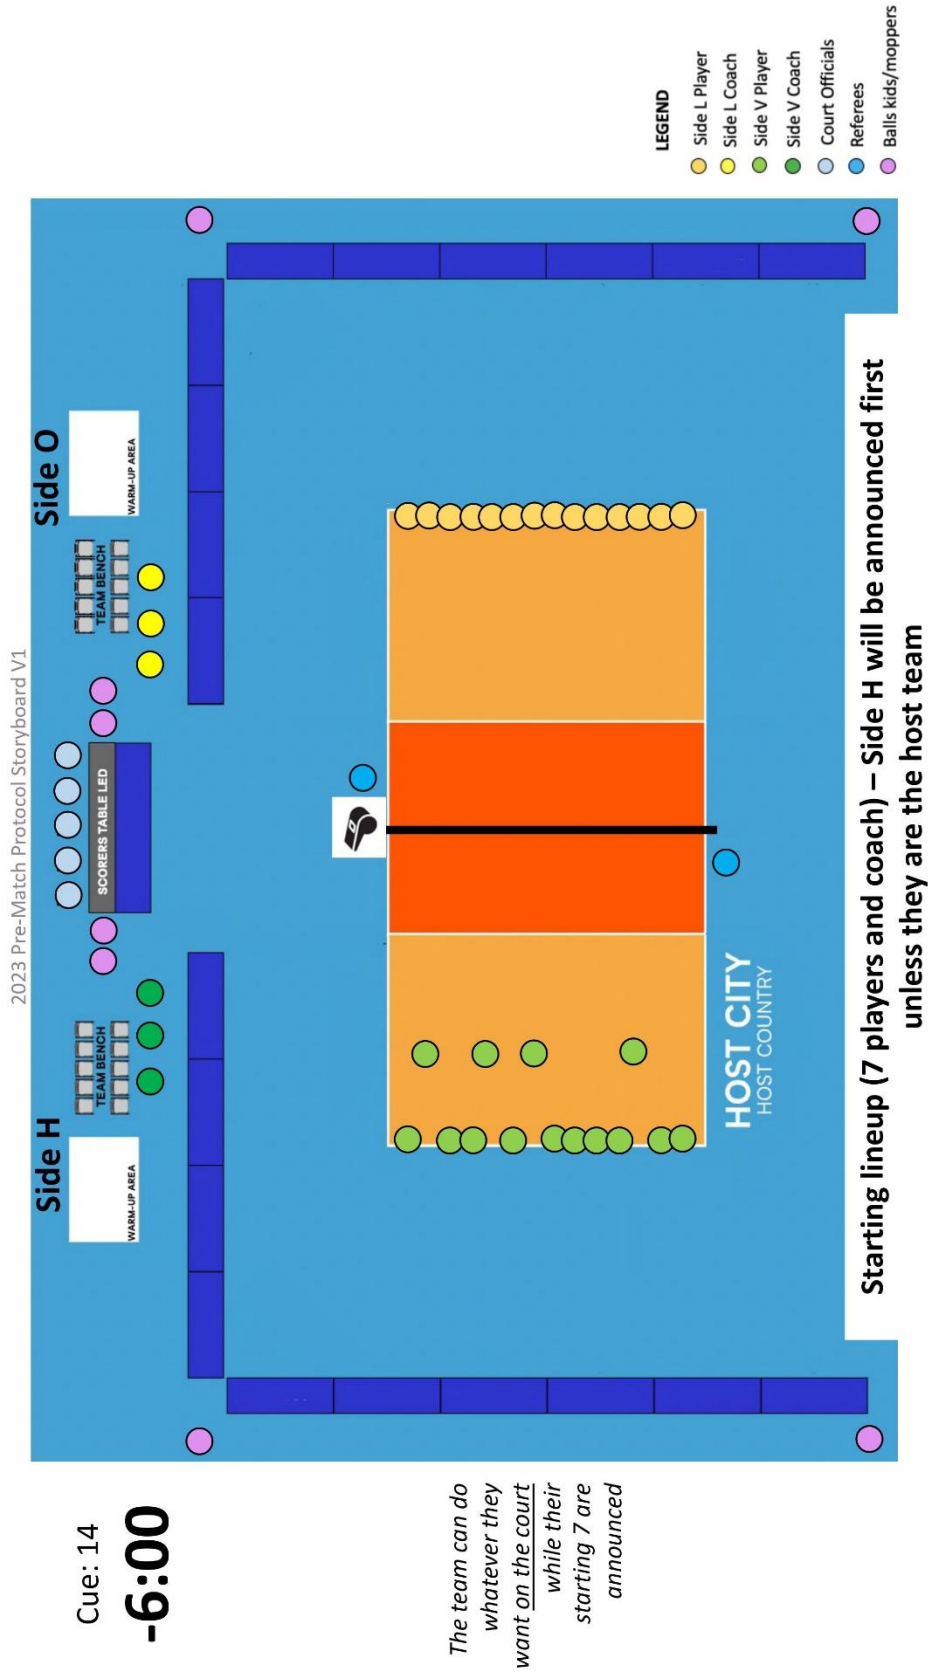

At the top of the pitch (Side H), there are two rows of green circles representing players, with a "TEAM BENCH" area below them. A "SCORERS TABLE LED" is positioned between the two rows of players. At the bottom of the pitch (Side O), there are two rows of yellow circles representing players, with a "TEAM BENCH" area below them. A "SCORERS TABLE LED" is positioned between the two rows of players. The central field has a red section in the middle, flanked by orange sections. A black line runs horizontally across the red section. A black and white icon of a person is positioned on the left side of the red section. The pitch is bordered by blue lines on the top, bottom, and sides. The text "Host City" and "Host Country" is written vertically on the left and right sides of the pitch, respectively.
